Catalog No. PM4015W

Description: LOAD CTR MCB 150A 40CKT N1 WHITE PON

UPC No 783164640731

Home > Load Centers > Load Centers

PowerMark PRO main breaker plug-on neutral load centers arrive with a main circuit breaker installed for a convenient and swift install. Main circuit breakers allow for the user to stop the flow of electricity in the load center, shutting off all the power in the residence. The PM4015W features spaces for 40 - 1" circuit breakers and 80 circuits, a 150-ampere bus rating, copper bus bars, and a white combination/flush enclosure.

Descriptors
