Catalog No. PM4020C

Description: LOAD CTR MCB 200A 40CKT N1 GRAY PON

UPC No 783164640571

Home > Load Centers > Load Centers

PowerMark PRO main breaker plug-on neutral load centers arrive with a main circuit breaker installed for a convenient and swift install. Main circuit breakers allow for the user to stop the flow of electricity in the load center, shutting off all the power in the residence. The PM4020C features spaces for 40 - 1" circuit breakers and 80 circuits, a 200-ampere bus rating, copper bus bars, and a gray combination/flush enclosure.
